

ADD NAME

Holiday Smiles is an initiative run by the Golder Trust for Orphans annually to raise funds for all the children so that they can receive a small gift during the holiday season. The gifts are generally items that the children require (as decided by the NGO). Holiday Smiles funds typically go towards clothing and shoes, sports equipment, toys, books, stationery, school uniforms, food packs and personal items to name a few.

In addition to the funding, Golder Trust also donates money to our NGOs to have a celebration/event over the Holiday Season and New Year.

With this GIFT given in your honour, we thank you for MAKING A DIFFERENCE this holiday season!
